FCMP NOTE: Block III d of the OER Support Form, Rated Officer's Accomplishments, has been sized to correspond directly with Block Vb on the OER, where the Rater writes comments on the rated officer's performance. When a user in FCMP creates an OER using a completed OER Support Form, the data entered in Block III d of the OER Support Form will automatically transfer to Block Vb on the newly-created OER in their narrative comments on performance. In addition, data entered in Block III e of the OER Support Form, Professional Skills/Areas of Expertise, will transfer to Block Vd on the OER, same subject. The rater then may edit the OER until he/she is satisfied with the wording and content of the rater's portion. Rated officers that intend to list additional accomplishments beyond what will fit in the space provided may use the ADD COMMENTS function in the FCMP Wizard to create a continuation page to the form. However, data entered on the continuation pages on the OER Support form in the FCMP Wizard will not be automatically transferred to an OER created from the completed OER Support Form.
